

Welcome to Something Different

Agave is traditional Southwestern cuisine with flair. You're about to experience fresh flavors, unique ingredients and bold combinations that will take your taste buds to a whole new place. And we've recently expanded our menu to include heartier offerings like steaks and fajitas, and brand new signature dishes like our Crab Enchiladas. So even if you've been here many times before, there is something different in store for you today.

Start with Guac

We know you'll find your own favorites on the menu, but we recommend starting off with our famous guacamole.

It's more than an appetizer, it's an experience, because we make it for your whole group, right next to your table. It doesn't get any fresher than that!

And to Drink...

Do drinks differently, too. Check out our wide selection of cervezas that's beer in Spanish ,

a top shelf tequila bar with dozens upon dozens of offerings for shooting or sipping, and the best Margaritas north of the Rio Grande, made with real fresh fruit. Plus, pitchers of sangria, a fine selection of wine and our own signature "Agavatini" Martinis.

Simply Grilled

Can't take the heat? A selection of our menu items can be ordered "Simply Grilled". These items are grilled to perfection with just olive oil, salt and pepper. They're marked with an **"S.G."** on the menu..
